The Honorable Henry Cabot Lodge
American Ambassador
United States Mission to the United Nations
2 Park Avenue
New York, N. Y.

Dear Cabot:

May I add my congratulations to the many others you have received for your speech on Hungary on September 10th before the Eleventh General Assembly. My congratulations are belated because I have been out of town.

I found the speech extremely effective, not only in its condemnation of continuing Soviet intervention in Hungary but also in its statement of the United States' sincere desire to find ways and means to ameliorate the situation of the Hungarian people.

① to ④

Here is the draft letter to Cabot Lodge which I suggested to you a few days ago and in which you expressed interest at the time of our conversation.

I think it would be helpful in our relations and in our continuing efforts to provide intelligence assistance to Cabot.

Dear Allen:

This is to thank you for the excellent cooperation which you gave us last week during the General Assembly meetings on the Hungarian question. Particularly I would like to commend the work of [redacted] who worked long and hard and made a fine contribution.

The vote of 60-10 on our resolution was a great success. I am most grateful for the co-operation you gave us.

With Kind regards,
Sincerely Yours,
